

This Week's Prayer Focus: Caldwell

Week of: March 28, 2021

Location: First Presbyterian Church, Caldwell

Mission Focus: The congregation of the First Presbyterian Church, Caldwell continues to be very committed to serving the needs of families in our community and surrounding area. Our "Guardian Angel Fund" is a special gift given over and above weekly tithes and offerings and are specifically designated for this fund. Through the fund, families in need are given anonymous gifts of grocery gift cards and/or credits towards utility payments. Our "Loads of Love" ministry continues to provide a "boost" for those taking their laundry to the local laundry mat by periodically loading the washing machines with quarters.

This past year we have given to various local causes including monetary donations to the local food bank, USD 360 Healthy Snacks and Leadership Programs, as well as other community fundraising events. Through the Presbyterian Giving Catalog we purchased a Mzuzu Drill used to provide a cost-effective way to access clean water. We also purchased a sewing machine which can be used to help launch sewing, mending and alteration businesses which will in turn provide stable sources of income for families in the developing world. We also participate in the four Presbyterian Special Offerings.

We are proud to minister and witness as a More Light Presbyterian Church. In doing so, the Session affirms the belief that the Gospel of Jesus Christ and our community of faith belongs to ALL of God's children.

Prayer Request: Please pray that as we continue to struggle with low attendance from week to week, we don't lose sight of the fact that God has a plan for our little church; for our hearts are big and full of God's grace. We pray that we will remain a viable source of joining God's mission in the world by reaching out to those in need with ministries of love and peace.
