

This Week's Prayer Focus: Tribune

Week of: April 11, 2021

Location: First Presbyterian Church, Tribune

Mission Focus: The church provides for domestic violence victims through the sheriff's office. The congregation supports the Community Youth Center, Angel Tree, food pantry, ministry to the elderly and participation in community economic development. The congregation works hard at keeping a high per capita Presbyterian mission commitment.

Prayer Request: The congregation is seeking to affirm its witness through new forms of congregational life. They are working cooperatively with two other congregations, seeking to intentionally relate, support and encourage one another. Please pray for this endeavor.
