

This Week's Prayer Focus: Garden City

Week of: May 2, 2021

Mission Focus: To WORSHIP together to glorify God by offering meaningful spiritual experiences for people of all ages. This is currently accomplished by creating online and in-person worship experiences. We EQUIP people to use their spiritual gifts in ministry and we strive to TEACH the Gospel in such a way that it provides a sense of hope, meaning, and direction for people's lives. We accomplish this by having Bible and book studies throughout the year. We CARE & PRAY for one another as we experience life's challenges with reaching out to our members, neighborhood schools, community organizations and SHARE our abundance as we reach out in service to our community and the world. We OFFER true hospitality to all, seeking to know them and their needs.

Prayer Request: As we begin the process of seeking a called pastor, pray for our energy and discernment, pray for our members and innovation in the varied ways we communicate with each other and our diverse community during COVID and the current state of the nation. And pray for our Transitional/Interim Pastor, Rev. Doris Evans.
