

This Week's Prayer Focus: El Dorado

Week of: June 13, 2021

Location: First Presbyterian Church, El Dorado

Mission Focus: With adaptations to Covid-19, we now offer in-person and online worship and plan to continue with that. We have been excited to see many of our members come back to worship after getting vaccinated! We continue to provide a monthly free community meal for low income residents and have helped support the Cold Weather Shelter for the homeless. We offer housing for the Mid-Cap office, our Deacons support the Community Aid Network and we have a Girl Scout troop that meets in the church as we strive to be a strong presence in the community. Our youth program has combined in fellowship with Hope Covenant Church and our hope is to expand to more of a community-wide youth program. Our mission statement is to "Love Good, Nurture People, Make Disciples".

Prayer Request: We ask for prayers for our new pastor, Rev. Stan Martin and for God's wisdom and guidance as we try to discern what our new, post-pandemic, normal will be.
