

This Week's Prayer Focus: Spearville
Week of: October 31, 2021

Location: Federated Community Church, Spearville

Mission Focus: The church members contribute to the Dodge City Friendship Feast Association which helps to feed the homeless and those struggling. The church also supports various worldwide missions. The youth of the church compile many gift boxes to be delivered through "Operation Christmas Child." This church has a very active youth program which meets every Sunday evening. The Presbyterian Women, bi-monthly, feed the local Lion's Club.

Prayer Request: Please pray for the young men and their families who serve in the United States Military. With a church of so few members we have 7 young men currently serving in the United States Navy. Also pray please to help us to open our hearts and our eyes and ears that we may be here to help all who are in need of learning more of our Lord Jesus Christ.
