

The **NCD Women's Ministries** had a wonderful retreat planned at Essenhause Inn, in Middlebury, IN, for March 20-22, 2020.

Our speaker was to be Shannan Martin and our worship leader was to be Mindi Mattern.

Sadly, we had to cancel due to the covid pandemic.

As we contacted ladies about their registration refunds, many of them told us to put their registration money toward Missions.

So happily, we were able to raise **\$1045 for missions** without having our retreat!

Our next retreat was planned for Feb. 26 - 28, 2021. But we also have had to cancel that one.

We have our fingers crossed and reservations made for the next retreat to be at the **Farmstead Inn in Shipshewana, IN, on March 11 - 13, 2022.**

Due to Prairie Camp being virtual in 2020, we also were unable to have our Ladies Day Event in July.

I am so thankful for the Retreat committee members who have continued to plan and work thru all the changes.
