What is UMLI?

United Missionary Loans and Investments (UMLI) is an Indiana non-profit corporation formed in 1955 by the North Central District of the Missionary Church. Its purpose is to provide a place where churches can borrow money to expand their ministry and provide people a way to become partners in helping churches while receiving a good rate of return on their investment.

How Does UMLI Work?

People invest in a Certificate of Investment (COI) with UMLI for a set period of time (1, 2, or 3 years) at a fixed rate.

UMLI uses this money to loan to churches and related organizations in the North Central District so they can enhance their ministries.

Who Can Invest?

UMLI is open to anyone in Indiana or Michigan who would like to have the satisfaction of seeing growing churches expand their ministries, while at the same time earning an attractive return on their investment.
