

PAVE THE WAY - PHASE II

"I will go before you and make the rough places smooth." Isaiah 45:2

ST. AGNES PARKING LOT PROJECT

Finish the Project!

June 2018

During the past winter we have all enjoyed the benefit of our new parking lot. As communicated last August we were advised to break the paving project into two phases. It is now time to finish the project! The top layer of asphalt will be laid during the week of July 9. Our fund drive last summer raised \$168,000, and our total project cost is estimated to be \$188,000.

If you did not take the opportunity to contribute to our "Pave the Way" parking lot project last year, **now is your time!**

Please prayerfully consider a gift to this campaign. You may fill out the donation card below and return it in the collection basket at church, by mail, or in person to the Parish Office.
