Our Mission Statement

The mission of GSLP is to provide a Christ-centered early childhood preschool through faith-based education and service in a nurturing inclusive environment.

The Educational Philosophy

The focus of the preschool is to meet children's needs and stimulate learning in these developmental areas:

***Physical**

***Emotional/ Social**

***Spiritual**

***Cognitive**

***Music/Art**

To nurture these areas the Preschool's objectives are:

*To integrate Christian faith formation throughout the curriculum.

*To provide developmentally appropriate activities.

*To teach children about their relationship with God and all people in the world.

*To provide tools for assessment of students' progress.

Our teachers relate education to the child's understanding about God and Christian life so that the spiritual and developmental aspects of the curriculum become a foundation for a lifelong faith.
