

# Greetings from the Director

Welcome and thank you for your interest in Happy Harbor Preschool. I am honored that you would consider bringing your most precious treasure to our school.

Our preschool is a wonderful, fun, and busy place. We have Bible time, crafts, hands on learning activities, and an exciting outside play yard.

Our staff is devoted to early childhood education and Happy Harbor Preschool's mission and vision. Happy Harbor Preschool is a great place for a child to grow both developmentally and spiritually.

We aim to develop the total personality of each child by providing a spiritual, physical, social, and academic environment that encourages the development of the individual child by placing Christ above all things. When we do so, it encourages the child to come to know Christ's love and builds Christian character that gives them beginning steps on their road to become successful and God fearing adults.

I look forward to meeting you! Give us a call to schedule a tour of our campus so you can see our school in action.

Love in Christ,

Happy Harbor Preschool does not racially discriminate in the acceptance of our students, faculty, or staff. To do so would be a violation of Christian principles as set forth in God's Word, the Bible!

Happy Harbor Preschool offers your child a place to feel nurtured, loved, and secure where we can build self-esteem while bringing children to the knowledge of Jesus Christ as their Savior.

We look forward to partnering with you to educate and equip your preschool child and welcoming you to the Happy Harbor Preschool family!

## Mission

Building Christian Character and providing our children with an academic foundation to prepare them for success.

Where learning is

# Purpose

We provide a full day of care with a sound educational foundation:

We reach children with the news of Jesus Christ by providing a loving environment in which social, intellectual, spiritual, and physical growth can be achieved.

## Faculty

Our staff are college educated, and hired according to the State of CA requirements. All staff are CPR/First Aid certified and have a call by God to serve in Christian education.

# Curriculum

"Learn by doing!" We emphasize the 5 senses as a tool to enhance development. The activities we do may look like "play" and it is!

Children learn through play and hands-on experience. Our Pre-K students are introduced to structured elementary instruction, preparing them for their continued education.

## TOURS AND PLAY DATES

We welcome you with open arms to enjoy, first-hand, what we have to offer.

Call our office at 310.835.5665 to arrange a tour of our campus.

## Program Distinction

By providing a full day care with a sound educational program, we minister to the needs of the total child. We believe that the presence and love of Jesus can and should be interwoven within the entire school day. Christian teaching and principles are not limited to Bible story time, but extended to nature study, interaction in the classroom, and on the playground, giving thanks before meals, every area of the day, giving our students a Biblical worldview in and out of the classroom.

## Admission

Enrollment is open to 18 months to five years of age. Our Toddler 1 and Toddler 2 teachers are trained to assist in potty-training.

## Class Sizes

Toddler 1 class is 6:1 in all other classes 12:1. The rooms are attractive and spacious, allowing for the "Center Model" in each room. The playground is enclosed by a fence for safety. We have four separate play areas, with an exclusive toddler area. We have sensory tables, and a bike path. Our outdoor area provides excellent activities to promote physical development and creative play.

## Parent Involvement

Parent participation is a vital part of our program. Parents have the opportunity to participate in our program with the various events during the year including our Parent/Teacher Training meetings. Our activities include: Mommy & Me Day, Daddy & Me Day, Grandparent's Day, Thanksgiving Feast, Christmas Program, and many more special activities to offer parent involvement.
