## I Peter 1:3

Praise be to the God and Father of our Lord Jesus Christ! In His great mercy He has given us new birth into a living hope through the resurrection of Jesus Christ from the dead.

I am both humbled and honored to be serving as the Senior Pastor for Riley's Creek Baptist Church. Also, to be honest, I'm a scared to death. Although I've been serving as a pastor here at the church, and the title makes no difference, the weight of the responsibilities has finally hit me. God reminds me that I need to depend on Him and His Word. That gives me great comfort as we in this local body move forward. I'm not in control, He is. As we move into this Easter season and remember all that God did for us through His Son Jesus, take time to remember Whom we serve and why. It's time to put the full weight of dependence on God and see what He can do when people are faithful to Him. Let's celebrate the fact that we can come to Him both individually and corporately. Let's share that good news with everyone we do life with. Finally, let's follow through with the command and commission of God to make disciples starting in our own houses and back yards. Pray for me as I pray for you and let' see what God can do together!
