July means the official middle of Summer. It's also a time to remember the independence we have in this country to worship freely at the feet of Jesus. Two big events take place in the life of our church in July and they are Deep Impact and Vacation Bible School. Please be in prayer for these two events this month. As our church continues to move forward let us all focus on the plan that God has for us. Like the story of Joshua when God brought them into the promised land and walked them up to and around the walls of Jericho, all those events were one continuous worship service. God's people were obedient to God's commands and through their obedience, they experienced the grace of God. They never stopped to think about anything except to follow what God said to do. Let's keep continuous worship and the obedience to what God wants us to do going. Through that, God will continue to show His grace as we reach the next generation in this community for Jesus!

RCBC Worship Choir

Psalms 66:1 and 2 says "Shout for joy to God, all the earth; sing the glory of his name; give to him glorious praise!"

The music ministry at Riley's Creek Baptist exists to make God's praise glorious.

It is such a blessing to unite our voices in praise to the God who created us to use our voice to worship Him.

We have 5 core values that guide what we do in Riley's Creek music ministry.

1. Worship
2. Connect
3. Grow
4. Serve
5. Share

Singing in the choir is a place where you can fulfill all 5 of these core values. The concept of a choir goes all the way back to the Old Testament. When God was preparing the Israelites for battle, He promised to deliver them from their enemy. They were so confident in God's promise of a victory that a choir marched in front of the army singing psalms of praise before the battle was even won. I believe that singing in the choir here, you can be on the front lines of what God is doing in our midst today.

We are looking for people who are looking for a way they can use their musical gifts of singing to make His praise glorious. Could that be you? Whether you've had formal vocal training or have just been encouraged by others that you have a great singing voice. We would love to connect with you.

The choir currently meets on Wednesday evenings at 7:30-8:30. As of now, we do not have childcare, but if you are interested in singing in the upcoming Burgaw Unity Choir, our Homecoming evening service and the Christmas Cantata, please join us for a Saturday rehearsal on July 22nd 9:30-11:30.

Contact the church office for more information and please consider joining us as we strive to make His praise glorious.

Love,
Shannon Sauer
