Happy May! Lots of celebrations happen in the Month of May. May 4th is not only a sacred day in my house (Star Wars Day) but more importantly, the National Day of Prayer. This day is set aside for the entire country to pray for 7 different areas in our country including the military, the government, the media, business, education, the church, and the family. May 5th is a celebration for our Hispanic community as a remembrance of victory. May 13th is my wife's birthday! May 14th is Mother's Day. May 29 is Memorial Day. Lastly May 26 is the last day of School for Pender County. There are lots of things to celebrate and remember. As we are celebrating and remembering, let's keep our focus on what God wants us to do through every day in May. Let's share His good news in every moment we have with everyone we come in contact with. Let us remember the blessings we have are because of Him and His goodness.
