Saturday, February 23—*Helen Hile* will be moving, around the corner from where she currently lives in North Manchester.

NOAC 2019: Reaching Into Joy

Information on the 2019 National Older Adults Conference of the Church of the Brethren is available at www.brethren.org/NOAC. The conference is September 2-6, 2019, at Lake Junaluska Conference and Retreat Center, North Carolina. Registration begins in April 2019. More information will be available to past attendees in January or on the website. If there is interest, Timbercrest will offer transportation to NOAC. For one coach, we need seven Timbercrest participants to ride. For two coaches, we need at least twelve. Seats for nonresident riders will be made available after we know how many Timbercrest participants will be available.

Camp Alexander Mack is a Christian camp located in Northern Indiana, affiliated with the Church of the Brethren. Our summer camp program is intentionally designed to provide campers with life-changing experiences that lead to the formation of personal faith within a safe Christian community. Our leaders are trained to focus on physical and emotional safety, skill development and age-appropriate programming that is exciting, educational and enriching. In addition to training, our leaders have a heart for ministry and kids and a love of summer fun that they share with the campers. A progression in programming makes each summer at Camp Mack more exciting and challenging than the last.

Registration booklets available in the narthex.
