### SUMMER CAMP REGISTRATIONS OPENS

MONDAY, FEBRUARY 18 at 7 p.m.

All paper registrations received before that time will be entered in before online registration opens up that evening. A nonrefundable \$75 deposit is required to register and hold your spot in a camp.

Camp Alexander Mack is a Christian camp located in Northern Indiana, affiliated with the Church of the Brethren. Our summer camp program is intentionally designed to provide campers with life-changing experiences that lead to the formation of personal faith within a safe Christian community. Our leaders are trained to focus on physical and emotional safety, skill development and age-appropriate programming that is exciting, educational and enriching. In addition to training, our leaders have a heart for ministry and kids and a love of summer fun that they share with the campers. A progression in programming makes each summer at Camp Mack more exciting and challenging than the last.

Registration booklets available in the narthex.

**Residential Camp, Grades 1-4:** Introduce your child to Camp Mack with a shortened stay (first through third graders) that will help them adapt to the overnight camping experience. Third and fourth grade campers can extend the experience in a five day camp. Your child will live in a small group known as a "family unit." Campers will have the opportunity to participate in favorite camp activities including crafts, Bible stories, worship, singing songs around the campfire and waterfront activities.

**Residential Camp, Grades 5-12:** Older campers participate in Christian community building experiences through the use of our ropes course, climbing tower, group games, waterfront activities, cookouts, Bible studies and worship. Afternoon electives for Followers allow campers to try something totally new or participate in an old favorite activity. Creative Arts and Culinary Camps have their own unique schedules. Youth Camp is designed by the Youth Camp Council.
