Where have you
seen God at
work in your
life?

GOD is
SO GOOD!

A Memory Book has been placed in the Narthex of the church. This is a place for anyone to record how they have seen God move in their life in big and small ways. Let's give God the glory for all that He does!

Thank
You

Lisa Hauptert and Debbie Barret would like to thank everyone for helping with the **New and Improved Liberty Mills Food Pantry**. Beautiful new shelves are stocked full with food, along with a freezer that is full! Lots of food, waiting to feed those who are hungry! If you know of someone in need, let Lisa or Debbie know.

From the
Desk of
Pastor Erin

Are you tired of there being nothing on T.V. worth watching? Our church has come up with a solution that will give you an opportunity to be entertained and refresh your soul as well. It's called **Right Now Media** and it is totally free to you. It's like Netflix only with Christian titles and Bible studies. You can find over 10,000 titles on topics like Marriage, Kids programming, Men's studies, Woman's studies, Teen studies and more.

To enroll, all you must do is text RightNow LMCOB to 41411 and it will take you directly to the log-in screen. Or you can log onto the church web site at www.libertymillsco.org and click the media/resources tab on the home page and it will take you directly through the log-in process. You only must do the log-in once. After that, you can go directly to Right Now Media and enter your user name and password and the entire site is at your fingertips.

I would also encourage you to join us for our Lenten study together called The Easter Experience by Kyle Idleman. Lent begins March 6th with Ash Wednesday. Lent is a 40-day process that allows us to see what God has forgiven us from. It makes Easter Sunday a great time of celebration and joy.

If you have any questions about logging on to Right Now Media or Lent, just contact Pastor Erin.
