

Church of the Servant COVID-19 Guidelines
As of 7-09-2020

1) If an individual (Staff/Volunteer/Student/Member) has tested positive for COVID-19:

Action 1: Quarantine for 14 days from the time of the positive diagnosis and maintain social distancing per the CDC guidelines.

2: Return to Church of the Servant only when:

- The 14-day quarantine period has passed
- And, at least 3 days (72 hours) have passed since recovery defined as resolution of fever without the use of fever-reducing medication **and** improvement in respiratory symptoms (e.g., cough, shortness of breath); **and**, at least 10 days have passed since symptoms first appeared.
- **Staff and Ministry Volunteers must provide written clearance by a doctor for return.**

2) If an individual has been in “close contact¹” with someone that has tested positive for COVID-19:

Action 1: The individual and caretaker should quarantine for 14 days from the point of exposure and maintain social distancing per the CDC guidelines.

2: Return to Church of the Servant only when:

- The 14-day quarantine period has passed
- If symptomatic², at least 3 days (72 hours) have passed since recovery defined as resolution of fever without the use of fever-reducing medication, **and** improvement in respiratory symptoms (e.g., cough, shortness of breath), **and** at least 10 days have passed since symptoms first appeared.
- If symptomatic, **Staff and Ministry Volunteers must provide written clearance by a doctor for return.**

3) If an individual has been in “close contact” with someone exhibiting symptoms of COVID-19, but the symptomatic individual has yet to be tested or receive a positive test result:

Action 1: Increase self-monitoring for increased temperature or other symptoms.

2: If symptoms develop or if a positive COVID-19 test is obtained, return to Church of the Servant only when:

- The 14-day quarantine period has passed
- And, at least 3 days (72 hours) have passed since recovery defined as resolution of fever without the use of fever-reducing medication **and** improvement in respiratory symptoms (e.g., cough, shortness of breath); **and**, at least 10 days have passed since symptoms first appeared.
- **Staff and Ministry Volunteers must provide written clearance by a doctor for return.**

¹ Close contact as defined by the CDC is within approximately 6 feet for a period of greater than or equal to 15 minutes.

² Symptoms of COVID-19 include: fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle/body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, diarrhea

The CDC recommends wearing cloth face coverings in public settings, especially in areas of significant community-based transmission. **Church of the Servant is requiring a mask when on campus.**
