**FOCUS on what you can see.**

## PRAYER

**WHAT YOU NEED:** Focus Notebooks (with 3D glasses) OR index cards; markers

### WHAT YOU DO:

- Give each child a Focus Notebook. Guide them to open it to page three.
- Set out the markers, and invite younger kids to draw their favorite thing that God made.
- Ask older kids to write “God, I see You when I focus on . . .” on the top of page three or their index cards.
- Encourage kids to list and/or draw things they can see in creation that point them to God.
- If time allows, invite kids to share their drawings.

### WHAT YOU SAY:

“Today you learned that it’s important to **FOCUS on what you can see**. So, what are some things God made that you can see? (flowers, trees, animals, people, the sun, stars, etc.) Yes! And you know what? The God who made the ENTIRE universe—the God who made (name things the kids named)—loves YOU! He loves [kid’s name] and [kid’s name] and (repeat with each child’s name). In fact, He loves you so much that you can’t even imagine how much He loves you! He loves you so much that He sent His Son, Jesus, just for you! Now THAT’s a lot of love!

“So, remember: **FOCUS on what you can see**. Because when you **FOCUS on what you can see**, you can see how amazing and wonderful and powerful and kind and good and loving God is! So, remember: **FOCUS on what you can see!**!”

“God, You are amazing! You are so creative! We just have to look at the number of colors in the world to see Your creativity. You love us so much! We just have to look at all the ways You feed us and all the wonderful things You created for us to enjoy. Thank You for showing us who You are in Your creation. Amen!”
