

# Bethany Kids Covid-19 protocols

## Health Requirements for staff and kids.

**Staff and parents/guardians, PLEASE make sure you are healthy and your kids are healthy, so we can ensure a safe place for all our staff and kids.**

## Regarding Fevers

- Children with a fever of 100.0 Fahrenheit or higher should not be in Children's ministry.
- Children must be fever free for 72 hours without medication before they attend Children's ministry.
- If children have a fever of 100.0 Fahrenheit or higher and have been exposed to someone who has Covid-19, they must be symptom free without medication for 4 days before they attend Children's ministry.

## Regarding Other Symptoms

Children who display the following symptoms will not be allowed to attend Children's ministry.

- Runny nose
- Sore throat
- Cough
- Shortness of breath
- Fast breathing
- Diarrhea
- Nausea
- Vomiting

## Check-in Procedures due to Covid-19 (All check-in stations will be manned)

- Parent/Guardians, check your kids in at manned check-in stations
- Staff will type in child/family #phone and lay all stickers on table for parents to take and give to their children. (no touch check-in)

## Nursery and preschool procedures

- All surfaces and toys should be wiped at the end of each service with soap and water.
- Staff should wash hands often.
- Staff should wear gloves while changing diapers and handling of snacks.
- Kids should sit 3 feet apart to eat snacks.
- Kids should wash hands when they arrive, eat snacks, and at the end of each service.
- Discourage kids from putting toys in their mouth.
- Strong adherence to health requirements.
- Only staff and kids are allowed in the nursery and preschool area.

### **Elementary procedures**

- All staff and kids should wash hands before entering their class, after gym time, before snack, and after each service.
- All touch surfaces should be wiped between services.
- Tables should be washed before eating snacks.
- Kids should sit 3 feet apart to eat snacks.
- Each class will sit together with their teacher during large group worship time, leaving a safe distance between other classes. This will limit exposure to a small group of students.
- The outdoor courtyard will be used as much as possible for “gym time”, or staggered “gym time”.
- All staff and kids adhere to the health requirements.

### **Regarding Confirmed Covid-19 Cases**

#### Guidelines for Parents and staff to Follow

- In Compliance with CDC guidelines anyone who has symptoms, was diagnosed, or exposed to someone who is diagnosed with Covid, please do not attend for 2 weeks.
- If a child or staff develops symptoms within 3 days after being in Children’s ministry please contact the director. The director will notify everyone in the class that they may have been exposed.
- The room where the exposure happened will be wiped down thoroughly.
- All kids and staff in the exposed class will be asked to not attend Children’s ministry the following 2 weeks.
