

E-mail from Facilitators to Participants

Hello Grove Group,

I'd like to introduce myself **(insert personal comments here!)**

I will facilitate our group from now until next August and help us grow shared leadership in the group.

Our first goal is to set an initial meeting, so we can get to know each other, and also, work on setting the logistics of our group.

Here is a Doodle Poll.

Please respond by (give a 3 day limit) so we can set our first meeting.

Insert Doodle link here.

At that first meeting we will:

1. **Set group norms.**
2. **Make decisions about worship.**
3. **Decisions to be made about monthly get-togethers.**
4. **Pick a care coordinator.** If you think you might be interested in the Care Coordinator role, let me know.

Care Coordinator: A volunteer in the group who is responsible for raising up life events of participants (birthdays/ anniversaries, special events) and encourages care between members. Care Coordinator will also organize the connected-care activity. Do you have a heart for celebrating people? Do you like to find ways to build relationships? This might be for you.

(Optional paragraph for leaders:

If you want to start connecting as a group, I will send out a question from the Engage Page starting after the 5 pm worship on Sunday, October 18. There is no pressure to respond! We will officially set up our worship check-ins after our first Monthly meeting).

We are in this together!

Please do the Doodle Poll, and I look forward to our first connection

(insert your own ending here)
