- C. Everyone in the group talks and listens in roughly equal measure, keeping contributions short,
- D. Members communicate directly with one another, not just with the team leader.

Schedule for Group Discussions

- Talk about your platform—zoom or in-person.
- Pick the next date and time. If you are able to pick a consistent date and time you can have multiple events set up at one time. For example: 2nd Monday at 8pm.

Care Coordinator

- Give the group a quick description of the Care Coordinator and see if anyone is interested in being the Care Coordinator.

Care Coordinator lead the warm-up activity at monthly get-togethers, lead the one-time connected care activity (sometime Nov-Jan), lift up events of the participants, and encourage care between members.
