- A. Everyone should feel safe.
- B. Members are willing to be vulnerable with each other to their comfort level.
- C. Everyone in the group talks and listens in roughly equal measure, keeping contributions short.
- D. Members communicate directly with one another, not just with the team leader.
- E. Members do not carry on back-channel or side conversations within the group.
- F. Members should feel free to connect outside of group time.

### Decisions about Worship

- Each group should choose the platform in which most of the participants will participate in worship – in-person, social media (Facebook or YouTube), conference call, or zoom.
- Each group will pick a worship time that works best for most of the participants (knowing that not everyone will watch the same service).

### Monthly Get Togethers

Pick the following

- In-person, Zoom, Facebook video via group, or Conference Calls
- Pick the next date and time. If you are able to pick a consistent date and time you can have multiple events set up at one time. For example: 2<sup>nd</sup> Monday at 8pm.

### Care Coordinator

- Give the group a quick description of the Care Coordinator and see if anyone is interested in being the Care Coordinator.

Care Coordinator lead the warm-up activity at monthly get-togethers, lead the one-time connected care activity (sometime Nov-Jan), lift up events of the participants, and encourage care between members.

### Prayer

See page of 15 of [Leader's Manual](#) for prayer ideas.
