Warm Up Activity

Review The Grove's mission: The Grove exists to make disciples of Jesus Christ for transformation of the world by reaching new people, growing in love of God and neighbor, and healing a broken world.

Review The Grove's motivating vision: *Grow Goodness.*

Once around the group, how does service relate to The Grove's identity?

If you have children participating with you

- ask if any of them have ever participated in a service project.
- explain why you are doing your service project and how The Grove cares deeply about their community and we want to show and grow love in our neighbor.
- give a quick explanation of what the group will be doing during the service project.
