

Caring for your child in times of Grief

Wednesday, February 6 | 6:30pm- 8:00pm

Grief is a normal part of life, but kids and teens grieve differently than adults. Session is led by a licensed mental-health Therapist to help families understand the various ways young people grieve and how to support this process over time.

Audience: Middle and High School students with Caring Adult

Event Held at:

The Grove - Woodbury Campus

7465 Steepleview Rd,
Woodbury, MN 55125

In partnership with:
