## MIDDLE SCHOOL – FROG (FULLY RELY ON GOD)

6<sup>th</sup> to 9<sup>th</sup> grade students and their friends

FROG is our Wednesday night Middle School student ministry program. FROG stands for “Fully Rely On God.”

Students chat and learn in small groups, play games, worship, participate in service projects and gather for special events.

## HIGH SCHOOL – JOLT

Wednesday nights, 6:30-8 pm - Woodbury Campus

Tenth through twelfth graders connect with each other, talk about current events, and reflect how faith impacts their lives. They enjoy games, snacks, and service projects.

## CONFIRMATION

Wednesday nights, Sept-May, 6:30 - 8 pm - Woodbury Campus  
8<sup>th</sup> and 9<sup>th</sup> grade students

Confirmation is a faith-formation journey where students consider saying yes to the vows made by parents, sponsors and the congregation at their baptism. We do not have a separate Confirmation class or program.

Confirmation students come to FROG regularly, participate in retreats, build a relationship with a mentor in the 9th grade and take part in the Mountain TOP Mission Trip after their 9<sup>th</sup> grade year.

Students are traditionally confirmed in October of their 10<sup>th</sup> grade year.
