FATHER

By Johnnie Mae Stull Walker

Father is the man who always in charge

His children love him and think he's large

Father is forgiving, loving and kind

He's there to help you when you get in a bind

Father is the man who brings home the bacon

And let you know you'll never be forsaken

Father is the one who taught you about Christ

He told you how on Calvary Jesus paid the price

So, Father you are the one that is truly loved

Your example was set by the Heavenly Father
above

Happy Father's Day
