WHAT IS LIVING WATERS?

Living Waters is an in-depth, Christ-centered program for people seeking healing in areas of relational and sexual brokenness. A healing, teaching and discipleship series, Living Waters addresses the reality that we are all broken in our ability to love others well. The goal of Living Waters is to lay a foundation for sexual and relational wholeness in our lives.

Through the worship, teaching, prayer and small groups of Living Waters we learn about:

- God's powerful love for us and how Jesus is central to our hope for wholeness
- The depth of our brokenness and our profound need for Him
- The power of the cross to restore our souls, sexuality, and relationships
- The process of walking out our healing
- Our place in the church and loving others honorably

WHO IS LIVING WATERS FOR?

Living Waters applies to everyone! But, it is particularly relevant to those struggling with codependency, self-hatred, or the inability to love others well, the effects of sexual abuse homosexuality, sexual promiscuity or addiction. Thankfully, Christ's capacity to touch and restore us at deep levels of shame and brokenness extends to all of us, regardless of the specifics of our issue.

**Whoever believes in me... streams of living water will flow from within him.
- John 7:38**

HOW IS LIVING WATERS PRESENTED?

Living Waters is a 20-week program taught in a closed-group format. The leaders have been trained and a confidentiality policy is in place to help ensure trust and safety in the group. Each meeting includes:

WORSHIP - We focus our attention and praise on God rather than on our problems.

THE WORD - Living Waters' teachings combine psychological insights and biblical truths that help us to know God and ourselves better.

THE WORKS OF JESUS - Through healing prayer in large and small group settings, we invite the Holy Spirit to heal our various wounds. We bring our sins, and those committed against us, to the Lord who is faithful to set us free.

Foundational to Living Waters is the reality that God created us in His image as male and female. Therefore we value men and women working out their healing together. Great healing comes as men and women minister and receive alongside one another, thereby reflecting God's intention and character. (Although small groups are single-sex, both genders participate together in worship, teaching, and prayer in the large group.)
