

GROUP EVALUATION
(adapted from A Spiritual Formation Workbook)

1. Are we working together as a team, supporting and encouraging one another to become more like Jesus, or do we sometimes feel each of us is in training alone?
2. Are we creating an environment where we feel free to share what's on our minds and hearts, or is there a fear of how it will be received or if it will be kept confidential?
3. Does each member have an equal chance to talk and share, or is the discussion dominated by one or two of us?
4. Are all of us attending our meetings as regularly and on time as we can, or are some of us failing frequently in this regard?
5. Are we creating an environment that is open and welcoming to new people? Would a new person feel uncomfortable or unwanted here?
6. Are we keeping within our time limit, or do meetings last too long?
7. What things have you found particularly helpful about this group?
8. Is there something about this group you would like to see changed or modified in some way?
9. Has the time come to split off a new group? If so, who feels led to be in it? Who should the new leadership team be?
