GROWING UP - Making disciples is our mission - as a church, and as followers of Jesus. It's what He told us to do. While there are various ways to go about this, one of the most effective is what Jesus did Himself in a 3-on-1 setting as He spent extra time with John, James, and Peter. That's what *Growing Up* is about. A proven process for making and multiplying disciples. It will help prepare and equip you to lead others. *Growing Up* will help answer the question, "How do I make disciples?"

Use of *Growing Up* D-Groups is our primary disciple-making strategy as a church. *Growing Up* is a manual for making disciples. It will answer the what, why, where and how of discipleship. You are not learning the information just for yourself. You are learning for all the people you will disciple in the future. The gospel came to you because it was heading to someone else.

New groups will be starting this fall. If you are interested in being in a *Growing Up* D-Group, contact keith@fbcterrell.org or the church office. We will then make your name available to group leaders as they enlist and start new groups. Groups can choose when they will meet. We are seeking to leave Sunday evenings open as "prime time" for groups to meet. Book cost: \$10 (scholarship assistance available)

PRAYING CIRCLES AROUND YOUR CHILDREN: Using principles from his *New York Times* bestseller *The Circle Maker*, Mark Batterson shares a perfect blend of biblical yet practical advice that will revolutionize your relationship with your children (or grandchildren). As you discover an entirely new way of praying, you'll see how prayer is your secret weapon. Batterson shares five prayer circles that will help you not only pray *for* your kids but also pray *through* your kids.

Batterson teaches how to create prayer lists unique to your family, claim God-inspired promises for your children, turn your family circle into a prayer circle, and discover your child's life themes. And he not only tells you how; he illustrates why. Perhaps best of all, each weekly chapter can be read in about 6 to 7 minutes. A great course for both parents and grandparents.
