What are ways that you judge others at theWELL?

What ways do you feel judged at theWELL?

Why do you want to see people come to theWELL?

What could hinder others from experiencing what you experience at theWELL?

What changes can WE make without changing our core beliefs and values?

How can we be intentional on the way we love our neighbor?

Finish the night with prayer. Continue to pray for God to reveal ways that we judge others and also pray for forgiveness.

Be intentional this week to seek out somebody you normally wouldn't and have a conversation or even coffee to get to know them and their story. Be a good listener!
