

The Main Thing

When it comes to worship we need to realize that we GET to... Not we HAVE to.

Our Scripture Focus

John 4:20-24 & Romans 12:1-2

FACILITATOR: Ask the group the following intro questions...

What do you think of when you hear the word “**worship**”?

“Where were you when you experienced **worship** for the first time? Maybe start with the youngest person on their faith Journey?”

- What did you understand worship to be? How is your understanding different now?

Where are you when you experience **worship** the most naturally?

FACILITATOR: Read this quote to the group and talk about it...

“If you do not worship seven days a week - you do not worship Him one day a week.” AW Tozer

*When we **worship** God in the every day mundane (**small**) things, we get to see God in the supernatural (**BIG**) ways we wouldn't otherwise.*

There is a certain beauty when we discover **more** of God when we **worship** Him in the everyday areas of our lives. Have we reduced God to be only a **part** of our lives?

The Bottom Line

The act of worship without actual worship is will make you miserable and a hypocrite! Will you put actual worship into your acts of worship?

When we discipline ourselves to publicly and privately worshipping God receive His grace to grow towards Christlikeness.

President Calvin Coolidge said, *“It is only when men begin to worship that they begin to grow.”*

Let's not fail towards iChristlikeness because we fail to discipline ourselves to **worship**.

Where We Go From Here?

Next week we will continue our ABIDE series on *Journaling*. *Bring Your Bible!*

Talking With God This Week

God, help me to not reduce You and my worship of You to only what I can experience as spiritual. Help me to realize that everything about my life is sacred, and to find the joy that exists in worshipping you!
