

As an online donor, we want to make you aware of upcoming improvements that will make giving to Vineyard Church even easier. As of today, Vineyard Church is changing from SecureGive to ShelbyNext Giving for all electronic giving. This is part of our church-wide transition to ShelbyNext software for membership, financials, child check-in, and event registration. We believe it is a change you will find to be very beneficial.

We also believe that you will be pleasantly surprised by the simplicity of the new process. With ShelbyNext Giving you can give online, by text, or through the ShelbyNext Giving app (available from iTunes and Google Play stores). We have included step-by-step instructions with images from our website's actual giving page so that you can know what to expect. We will also have these instructions available at our Sunday morning Celebrations at the Welcome Desk and on the DONATE page of our website at <http://vineyardaugusta.org/donate>.

To begin, simply click on the following link to create your new account: <http://vineyardaugusta.org/donate>. If the link does not work with your browser, we suggest that you copy and paste the web address into your browser address bar. Once you're there, just click on the "**Make a Donation**" box and follow the instructions.

We encourage you to go ahead and set up your account with ShelbyNext Giving today. Please know that after March 31, 2017, any remaining donor accounts to Vineyard Church through SecureGive will be automatically closed.

We want this transition to be as simple and streamlined as possible for everyone. If you have any questions, please feel free to contact me at [janna@vineyardaugusta.org](mailto:janna@vineyardaugusta.org) or 706.863.9766. I will be glad to assist you.

Thank you for your continued support of the ministries at Vineyard Church of Augusta.

God's richest blessings to you and your family,

**Janna Moore**, *Church Office Manager*
