

Vision Statement

We envision students seeing Christ as the only true answer, knowing His word and stand firm with the Armor of God.

Mission Statement

Our mission is to reach out to 7th-12th grade students providing a place of fellowship and spiritual growth by studying the word of God, praying for each other and serving the community. Equip them to become full, active, conscious members in their church by being ready to serve. Empower them to become leaders and being a witness for Christ to the ends of the earth.
