The Principle of The Path Week 3

ICE-BREAKER:

- How has following Jesus made your life better?
- How has following Jesus made you better at life?

READ: John 6:25-29, 30-36, 60-69

DISCUSS: (Choose the questions that relate best to your Small Group)

Many in the crowd listening to Jesus wondered what it might cost them to follow Him. What concerns do you have about following Jesus?

How does the simplicity of Jesus' response influence your view of what you must "do"?

Have you ever asked for a sign to know with certainty that you should follow Jesus or trust Him with a circumstance? How does Jesus address His listeners' requests for a sign?

Jesus didn't promise an easy life, but He promised that we could trust Him anyway, despite the difficulties. What about following Jesus has proven hard for you or strikes you as difficult to accept?

Have you ever thought about clicking the "unfollow" button on Jesus? If so, why?

What conclusion did Peter come to about his options for following Jesus?

APPLY:

When you consider your direction in life, are you following someone you can trust with your ultimate destination? If not Jesus, then who?

How can our group encourage you to follow and trust Jesus more completely?

We all have a decision to make. If not Jesus, then who? And if not Christianity, then what?

*Following Jesus is not always easy, but it is better.
Surrender to His direction and trust Him with your destination today.*
