Divine Direction – Week 1

ICE-BREAKER: What's one of the craziest or funniest decisions you've ever made?

Have you ever experienced decision fatigue about anything? How did you end up making the decision?

Who does God want you to become?

What's one area of your life where you wish you knew what God wanted you to do?

In your decisions, are you more focused on choosing the right *do*, or becoming the right *who*?

Read Proverbs 16:2

Talk about a time you had the right motives and a time you had the wrong motives.

Talk about why you make your decisions. Are you more often aiming to validate yourself or give glory to God? How did you come to your answer?

Have you ever been too focused on finding out what God wanted you to do, only to miss why He wanted you to do it—and who He wanted you to become?

Think about what it means to become the person God made you to be. How would your life be different if you were to pursue this goal?

What's the next step God wants you to take? When will you take it? Who will hold you to it?

Write down your next step to become the person God wants you to be. Put it somewhere you will see every day.
