### SUPERHEROES

**ICE-BREAKER:** Who was your favorite Superhero and why?

Describe a time when you have been someplace where there was no electrical power. What was the worst part of that experience?

Have you ever thought about the possibility that believers have superpowers? We know that does not mean we are *faster than a speeding bullet, more powerful than a locomotive, or able to leap tall buildings in a single bound*. So, what does it mean?

Have you considered how the Holy Spirit came upon people in the Old Testament, verses coming to dwell within them in the New Testament? What difference does this make?

**READ: Ephesians 6:10**      *“Finally, let the Lord make you strong. Depend on his mighty power.” - (NIRV)*

Do you find it easy to depend on God’s mighty power, or do you tend to depend more on your own power? What is the logic behind your decision?

**READ: Romans 8:11**      *“The Spirit of the One who raised Jesus from the dead is living in you. So the God who raised Christ from the dead will also give life to your bodies, which are going to die. He will do this by the power of his Spirit, who lives in you.” (NIRV)*

Describe the power that is available to believers today.

Have you tapped in to the power that is available to transform your life? Or are you trying to operate without being plugged in and connected to the Source of power that we have in Jesus Christ?

Thinking back on your life, who were some of the superheroes of the faith that have influenced your life? What made them so special?

Who are the spiritual superheroes who influence your life today?

What would it take for you to be a superhero in someone else’s life?
