Rolling Bay Presbyterian Church

A message from your Stewardship committee about...

Per Capita

Our church belongs to the Seattle Presbytery, the governing body for the Presbyterian Church (USA) in our region. Per capita is a traditional form of “dues” paid by church members to support the staff and activities of regional presbyteries, larger synods, and ministry staff at the national level. These activities include ministry support for member churches; organizational and theological assistance; guidance for member churches; and other responsibilities. Seattle Presbytery prescribes annual per capita contributions of \$40 per adult member (\$80 per couple).

These payments may be made through the church. For folks still using the boxed pre-dated offering envelopes, the BLUE envelope is specifically for your per capita donation. Otherwise, just clearly mark your check or envelope as “Per Capita.” For more information about Seattle Presbytery and the works that benefit from your per capita payment, you can look at their website: <http://seattlepresbytery.org/>
