

Gateway Community Church - Governing Council Report

April 2026

The Governing Council met on April 1st for our monthly meeting. We opened the meeting with devotions and prayer at 7pm.

The infrastructure task force is beginning to look at the Montessori wing as it is reaching an age where renovations may be needed. They are hopeful to provide a general idea of what the possibilities are in the next month or two.

We continue to work through the nomination process and continue to seek your prayers over that process. Pray for the elders as they discern, and also for those who may be asked, that they would prayerfully consider this calling to serve Christ through leadership at Gateway. The Deacons and Ministering Elders are also working through these same processes. Our goal is to have names for the congregation in May or June.

Pastor Justin led us through his Lead Pastor report which included updates on summer camps, the Gateway scholarship program, and his upcoming sabbatical. Justin also updated that after much work by Justin and the Search Team, a job offer has been made to Thomas McCollough! Please pray for Thomas and his wife Elena as they consider becoming Gateway's next director of youth ministries.

Lastly we continued discussions on building up new leaders within the Church. This includes getting to know people who may have the skills, gifts and abilities to serve. It will also allow us to teach and show how Gateway is governed to give future leaders a better understanding.

The meeting closed in prayer at 8:50. Our next meeting will be May 6th.

On Behalf of the Governing Council Elders:
Matt Tinsley: Governing Council Chairperson
