

COVID PROTOCOLS

It is our goal to keep your kids safe while they are with us on Monday nights. We have taken many precautions to adhere to BC Worksafe's for K-12 Covid requirements. As a faith-based organization we are required to follow the cohort system. Here is what we are doing:

- We are limiting our small group sizes.
- Large group meeting will happen in larger spaces to ensure physical distancing.
- We will have hand sanitizers at all entrances and students will be required to use as they enter.
- Students and leaders will be required to wear a mask when singing and when physical distancing is not possible.
- If food is provided it will be served, with servers using masks and gloves. Prepackaged snacks will be used whenever possible.
- Small groups will meet using larger tables and spaces to allow for physical distance. Should they not be able to be distant, they will need to wear a mask.
- They will be required to wear their mask during games if they can't keep limited contact.
- Hands will also be sanitized after eating and games.
- All rooms have been disinfected prior to our meetings.
- If your children had any signs/symptoms of illness, keep them home. If they couldn't go to school, they should not be at Cadets/GEMS.

Any Questions please contact our Director of Children's Ministries, Alaina Sprietsma
