PRAYER REQUESTS

Jessica Kielstra asks for prayer for Brian, her husband (41 years old) who experienced a very serious stroke last week Tuesday, July 8. He has been in care at Royal Columbian Hospital since and has shown some degree of progress in his healing journey. Recently, the ventilation tube was removed to encourage him to breathe once again on his own; he is still very limited in his range of movements. Please pray for a miracle of the Lord, that He might grant Brian a full and complete healing, and too, that along the way, he wouldn't get discouraged by slow progress. May the Lord be near his whole family, and his three young daughters.

Summer Camps needs prayer warriors and would love it if all the campers and staff were prayed for throughout the week, to remind you to do that, please pick up a prayer "bracelet" at the lobby entrance doors! There will be new names ready each Sunday morning for you!
