PRAYER REQUESTS

Sid & Annie Jaarsma have moved to Hallmark on the Park earlier this week, as Annie has experienced further struggles with health and strength. Please pray that they will settle into their new space, enjoy their new community there, and that the Lord would continue to extend His care and compassion towards them. Their new address is: #318-3055 Princess Str. Abbotsford, BC, V2T 4A8. Their phone number remains the same.

Ethan Hoekstra, with his family, ask for prayer once again as he has returned to care in the hospital to oversee his platelet counts and to begin new treatment. Pray for the Lord's hand of guidance for the medical staff, and for patience for Ethan and his family.

As school is out, the patterns of many in our community is to take breaks from the normal patterns of life, and explore God's world, here in BC, and far beyond. While we pray for effective rest and renewed energy for the coming Fall season, we pray to for safety in travel, for good health while exploring, and for safe return!

COMMUNITY NEEDS

- Abbotsford Baptist Church - their pastors, staff, and congregation
- June Missionary Focus - Tyler Couperus - Global Aid Network
 - Jack DeKroon recently returned from his life and mission work in Haiti for the last three months. We give God the glory for his safe return, and for his work and contributions to the growing community of faith there.
- The special offering for **June 29** is designated for **World Renew | Refugee Support Sunday**

GLOBAL NEEDS

- Life in this world continually feels unsafe as wars rage across our whole globe. We thank the Lord for the peace we enjoy here in Canada, but we also pray for same peace and freedom to be experienced by our fellow humanity across the whole world.
