*"For you created my inmost being; you knit me together in my mother's womb. I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well." Psalm 139:13-14*

### Hello Family and Friends,

Although I am still on maternity leave, I wanted to send a brief e-mail and introduce you to our son Elias! Elias was born in March, two days before his mama's birthday. We are all doing well, and are so thankful for your prayers and support during this new season of life! I will include a few photos of Elias below! We think he is the cutest, although we may be a little biased :)

## Celebrating Ten Years!!

This month marks ten years since I joined staff with Global Aid Network! Elias even put on his Power to Change shirt for the occasion (see photo above). As I reflect on ten years with GAIN, there are so many things to be thankful for. I have seen God at work in so many ways around the world. Whether its disaster response, economic empowerment, or receiving access to clean water, thousands of lives have been transformed. More importantly, thousands of

people have heard about the love of Jesus. I am so thankful to have this window into the ways God is at work, and so thankful for your partnership over the years. I look forward in anticipation to the coming years.

## Prayer

Thank you for your interest in praying for me, and for the ministry of GAIN. I ask that you please pray for:

- Please continue to pray for Adam, Elias, and I as we transition into this new season of life.
- Pray for the GAIN team as there are a number of staff on maternity leave, and a lot of projects transitioning recently.

I also would love to keep you in my prayers. If you have any specific prayer requests that you would like to share, please use the link below to send it to me.
