ANNIVERSARIES

September 14 | Otto & Marj Dykman – 63 years

PRAYER REQUESTS

Chris & Juanita Draaistra are thankful for God's provision in Chris' life and health, regarding his journey with this brain tumor, as recently, they received news that there has been no change! They are very grateful for the support from, and prayers of their church family.

Many of our weekly ministries are set to begin as they enter into a season of sign-ups. From GEMS & Cadets, EDGE and Summit youth, to choir and Life Groups. May the Lord use these ministries to foster growing relationships with Himself, and amongst the participants.

COMMUNITY NEEDS

- Arnold Community church - their council and leadership, staff, and congregation
- Students, teachers, and staff at Ten-Broek Elementary School
- September Missionary Focus – Monique Mattatall
- The special offering for September 14 is designated for GaiN (Global Aid Network) – for Ukraine Crisis Support

GLOBAL NEEDS

- From significant murders in the news, to the fires in our province and country, to the escalation of wars across the world, and the 24th anniversary of 9/11, we're reminded that our world is a broken place. However, we need to be reminded that the evils in this world will not have the last word – only Jesus will. Evil will not win. Jesus does. May the Lord grant each of us wisdom and grace as we navigate the complexities of life on earth.
