PRAYER REQUESTS

Ranny Euverman continues to ask for prayer as she continues on her road of recovery. She has been released from the rehabilitation center and has returned home - while this is a good thing as she'll be far more comfortable there, she is not out of the woods yet. We're praying for more healing and renewed strength, but also, clarity and wisdom for next steps and future care.

Jessica Kielstra asks for more prayer for her husband Brian Kielstra, who on his road of recovery from his very serious stroke in July, has experienced a number of ups and downs, but through all that, he's been transferred to Queens Park Care Center for focused rehabilitation. We continue to pray for increased strength in his body and cognitive function.

Ken & Sylvia Ingwersen ask for prayer as Ken is still in care at Chilliwack General Hospital, being monitored as he lost all his strength and is very uncertain about pathways of healing going forward. Pray for renewed strength, and for wisdom for the medical community as they care for him.

COMMUNITY NEEDS

Each week, as a church family, we pray for a fellow Abbotsford church, and one of our missionary partners. This week we pray for:

- Pathways Canadian Reformed Church, their staff, and congregation
- September Missionary Focus - Howard & Jannie Johnson
- The special offering on **September 20** is designated for **Resonate Global Ministry**
