GLENMARY RETIREMENT HOME

VISION:

We desire to connect and love resident who desperately need family and friend relationships. It is our goal to fill in the gap in their lives as we point them to Jesus!

GOALS:

Short Term

- Connect with a new resident that you have never met before.
- Ask a resident how you can pray for them over the next month.

Mid Term

- Begin asking yourself what other ways you can connect deeper with the residents in this community.
- Schedule to come to dinner or a social engagement outside of our normal time with residents.
- Share your story! Sit down with a resident and share about the hope you have found in Jesus.

Long Term

- Invite a resident into your home for dinner or another fun activity.
- Pick a resident up from the Glenmary for church on Sundays.
- Develop a friendship! Do life with them! Enjoy yourselves! Be involved and invested in their lives.
