

Dear Parents,

The first few weeks of school are a time of transition for all of us. Some children transition very easily when starting school, while others may have a hard time adjusting to the change a school routine can bring.

Over the years, we have found it necessary to make some changes regarding the placement of students. In rare cases, if a child simply cannot adjust socially, emotionally, or academically, it may be in his/her best interest to stay home and wait until the time is right for him/her to be in a school setting. We want to keep you informed about all options. Keep in mind that our number one priority is the well being of all children here at GracePointe Christian Academy. If we have any concerns regarding your child in any of these areas, we will be in contact with you.

Thank you,

Evelia Salcido  
GracePointe Christian Academy Director

I have read, understand and agree to comply with the policies set in the above letter.
