COMBINATION CLASSES

Due to our preliminary 2018-2019 results, it may be necessary that Grades 2nd – 5th may have combination classes. Early and open registration will determine whether it will be feasible to have separate classes for each grade. GracePointe Christian Academy has, and will continue to strive to provide the best education possible for your child. However, circumstances beyond our control may dictate the need to make class adjustments. GracePointe Christian Academy remains committed to offering quality programs and the best student/teacher ratios possible. Staff or program changes will not be made without careful consideration.

Please be advised that in the event the combination classes are required, 2018-2019 registration fees will be refunded if you chose to withdraw your child **before May 24, 2018**. It is our desire to simply inform our families that contingency plans have been made and will be enacted if and when the need arises.
