

Dear Parents:

At West Haven, the safety and security of your children is very important to us. That's why we've chosen KidCheck as our children's check-in solution to bring you the best check-in experience and to allow us to partner with you to keep your children safe.

We will go live with KidCheck on June 11<sup>th</sup> in the nursery area only. Once we know the system well we may expand it further into the children's ministry as needed. It is important you create your account prior to this date. To create your account please go to: [go.kidcheck.com](http://go.kidcheck.com), select "Create Your KidCheck Account," and follow the on-screen prompts. Alternatively, you can download the KidCheck Mobile Check-In app from the [App Store](#) or [Google Play Store](#) to create, manage, and update your account right on your phone.

You can create your account from the comfort of home. It's simple and will only take a few minutes. Creating your account prior to the above date helps us have a smooth transition and helps your first check-in go more quickly so you can get on your way.

Once you've created your account, simply use your 10 digit phone number to check-in with us through our iPad station on the north wall just before the nursery.

Thank you for your participation.

LuAnna Lingo  
Nursery Director
