Dear Friends,

I want to make you aware of an amazing opportunity to support an initiative at the State College Alliance Church (SCAC) in partnership with Feed My Starving Children (FMSC), a Christian nonprofit organization dedicated to seeing every child and person around the world healthy, nourished and whole in body and spirit.

On Friday and Saturday, February 9 & 10, 2024, we will transform our church gymnasium into a space dedicated to packaging nutritious meals to children worldwide. Hundreds of volunteers will pack over 135,000 meals to feed over 400 children for the next year. Without financial sponsors and volunteers, this event would not be possible. You can learn more about our specific event at <http://scalliancechurch.com/foodpack>.

We have several sponsorship levels available, and your support can range from providing funds, in-kind donations, or volunteering your time. Please see the following pages for more information.

To discuss the possibilities and benefits of sponsorship further, please contact me. I would love to set up a meeting at your convenience.

Thank you for considering our request, and we look forward to the opportunity to collaborate with you to make a significant impact in the fight against hunger.

Blessings,
