

# Dear Future FoodPack Partner,

Yes, this is an ask. And it comes with a hairnet – that you're going to ROCK with the biggest SMILE, surrounded by your team members also grinning ear to ear because you just had the MOST fun making an AMAZING impact! Whew! Okay, details:

## What?

Is your team ready for a unique team-building challenge that will make an impact? The **FoodPack** event is hands-on, hearts-in activity that any team will love! Volunteers donate two hours of their time to scoop rice, vitamins, soy protein, and dehydrated vegetables and seal into "MannaPacks." Every completed box of packed MannaPacks is a cause for celebration! The 2026 FoodPack event's total goal is to pack 164,250 meals! Challenge accepted?

## Why?

FoodPack is a program created by *Feed My Starving Children (FMSC)*, a non-profit organization founded in 1987 and working internationally to feed hungry and malnourished children in order to help them survive - and thrive in school! The organization's impact is undeniable. In 2024/25, FMSC hosted 258 FoodPack events with 1.1M volunteers to provide 375M meals for more than 1,000,000 kids across the world! Wow!

## When & Where?

The event will span two days with volunteers picking shifts that fit their schedule best:

- Friday, April 24, 2026 (6-8 pm)
- Saturday, April 25, 2026 (9-11 am, 12-2 pm, and 2:30-4:30 pm)

It will be held in the gymnasium at State College Alliance Church  
1221 W. Whitehall Road, State College, PA 16801
